March 27, 2020

Dear Orchestra Kentucky patrons,

We hope this finds you safe and in good health. This has been a difficult month for everyone, as we see the effects of COVID-19 on our community, our country and the world. Right now, we would love the ability to come together and share the power of music with you. But we have to wait, and so we are letting you know that, in accordance with established guidelines to help slow the spread of the disease, we are rescheduling/postponing all concerts through the end of April.

With your support, we will get through this and be stronger because of it. We look forward to being able to return to what we do best: entertaining and enriching our patrons. With that day in mind, a list of rescheduled/postponed events is below.

In the meantime, please consider supporting the Orchestra in one of the following ways if you are able:

**BECOME A SUBSCRIBER**
Make plans for our 2020/21 concert season! We have so much wonderful music to look forward to, and your purchase will help us during this time.

**MAKE A DONATION**
Your support will help sustain us during these challenging times and help ensure our orchestra can continue serving the community.

Thank you for your patience as we work to get this date rescheduled as quickly as possible.

Our Music of John Williams concert at SKyPAC on May 16 will be held as scheduled.

We realize that our current plans may change for the health and safety of our patrons. But for now, please hold on to your tickets for our performances scheduled at SKyPAC. In the coming weeks, new tickets will be mailed for the performance at First Baptist Church.

Thank you for your patience and understanding. Stay healthy!
